

# PRODUCT DATA SHEET

## Slipstream 60

**PRODUCT USE:** All surface vehicle protectant spray wax

**PRODUCT DESCRIPTION/BENEFITS:** Slipstream 60 cleans, polishes and protects in one easy application and is suitable for painted surfaces, glass, fibreglass, rubber and plastic. Slipstream 60 forms a film over the vehicle reducing friction and ability for contaminants and moisture to attach to vehicle surfaces. Slipstream 60 contains carnauba wax emulsion that improves shine and lasts for up to 60 days.

Safe and non-hazardous to use on most non-porous surfaces.

**APPEARANCE:** Foaming spray aerosol

**DIRECTIONS FOR USE:** Spray a light coating of Slipstream 60 onto vehicle surface. Using a clean microfiber cloth, lightly wipe the treated surface and buff to a brilliant shine.

**SAFETY GUIDELINES:** Use appropriate PPE at all times. As with all cleaning products, gloves and safety goggles are mandatory. Avoid breathing in vapours and mists. Ensure no naked flames or ignition points in nearby vicinity. Flammable Gas.

For advice contact Poisons Information Centre on 13 11 26. Read SDS prior to use.
